

# **6th Infraday Texas Mar. 28, 2025**

**AT&T Hotel and Conference Center  
1900 University Ave, Austin, TX 78705**

## **Infraday Texas - Program Agenda**

**Date: March 28, 2025**

**Location: AT&T Hotel and Conference Center, Austin, Texas**

---

### **8:00 AM - 8:45 AM: Registration and Networking Breakfast**

**Details: Start your day by connecting with Texas' top infrastructure leaders over coffee and breakfast. Build meaningful relationships and spark collaborations that could shape the future of infrastructure in the Lone Star State.**

---

## **Morning Sessions**

---

### **9:00 AM - 9:30 AM: Opening Keynote Address**

**Title: Texas' Infrastructure Renaissance: Paving the Way for Growth**

**Speaker: [Name, Title, Organization]**

**Details: Kick off the day with an inspiring address highlighting Texas' bold vision for infrastructure growth. The keynote will touch on major ongoing projects, legislative priorities, and opportunities to innovate in transportation, energy, and water systems.**

---

### **9:30 AM - 10:00 AM: Panel 1 – Resilient Infrastructure: Addressing Texas' Weather Challenges**

**Topics: Flood mitigation, drought resilience, and storm-resistant infrastructure.**

**Details: Texas is no stranger to extreme weather. Panelists will discuss innovative strategies for building climate-resilient infrastructure to protect communities and vital assets.**

**Moderator: [Name]**

**Panelists:**

- **[Name]**
  - **[Name]**
  - **[Name]**
- 

### **10:10 AM - 10:30 AM: Standalone Presentation 1**

**Title: Leveraging Technology for Faster Disaster Recovery in Texas**

**Speaker: [Name, Title, Organization]**

**Details: Discover how advanced tools like AI and drones are transforming disaster recovery efforts. This session will showcase a case study of how these technologies were used to rebuild after recent weather-related events.**

---

**10:30 AM - 11:00 AM: Panel 2 – Texas’ Transportation Transformation: Solutions for Urban Mobility**  
**Topics:** High-speed rail, smart traffic systems, and EV infrastructure.

**Details:** As urban areas grow, transportation innovation is critical. This panel will explore major projects like the Dallas-Houston high-speed rail, EV adoption, and smart city initiatives.

**Moderator:** [Name]

**Panelists:**

- [Name]
- [Name]
- [Name]

---

**11:10 AM - 11:30 AM: Standalone Presentation 2**

**Title:** AI-Powered Infrastructure Maintenance: Extending Asset Lifecycles

**Speaker:** [Name, Title, Organization]

**Details:** Learn how AI-powered solutions are revolutionizing infrastructure maintenance, helping identify vulnerabilities and predict failures before they occur.

---

**11:30 AM - 12:00 PM: Panel 3 – Funding the Future: Public-Private Partnerships in Texas Infrastructure**  
**Topics:** Innovative funding models, risk-sharing, and successful P3 projects.

**Details:** P3s are critical to delivering Texas’ infrastructure goals. This panel will showcase successful examples and explore innovative financing approaches to meet future demands.

**Moderator:** [Name]

**Panelists:**

- [Name]
- [Name]
- [Name]

---

**12:00 PM - 1:00 PM: Networking Lunch**

**Details:** Enjoy a delicious lunch while connecting with peers, speakers, and industry leaders. Discuss key takeaways from the morning sessions and build valuable connections.

---

**Afternoon Sessions**

---

**1:00 PM - 1:30 PM: Panel 4 – Powering Texas: Building a Sustainable Energy Grid**

**Topics:** Renewable energy, grid modernization, and resilience.

**Details:** Texas is a leader in renewable energy, but challenges remain. Panelists will discuss balancing sustainability goals with the need for a resilient, reliable energy grid.

**Moderator:** [Name]

**Panelists:**

- [Name]
  - [Name]
  - [Name]
- 

**1:40 PM - 2:00 PM: Standalone Presentation 3**

**Title:** Designing for Sustainability: Lessons from Major Texas Projects

**Speaker:** [Name, Title, Organization]

**Details:** This presentation will share practical insights and best practices from successful sustainable infrastructure projects across Texas.

---

**2:00 PM - 2:30 PM: Panel 5 – Water Infrastructure: Securing Texas’ Most Precious Resource**

**Topics:** Water supply, flood management, and drought resilience.

**Details:** Addressing Texas’ growing water challenges requires innovative solutions. Panelists will explore advanced water recycling, desalination, and stormwater management technologies.

**Moderator:** [Name]

**Panelists:**

- [Name]
  - [Name]
  - [Name]
- 

**2:40 PM - 3:00 PM: Standalone Presentation 4**

**Title:** Advancing Texas Ports: Boosting Trade and Connectivity

**Speaker:** [Name, Title, Organization]

**Details:** Learn how Texas’ ports are evolving to meet increasing trade demands, improve logistics, and drive economic growth.

---

**3:00 PM - 3:30 PM: Panel 6 – Data-Driven Infrastructure: Transforming Project Delivery**

**Topics:** AI, digital twins, and real-time data platforms.

**Details:** Discover how technology is revolutionizing project planning and execution, enabling faster and more efficient infrastructure delivery in Texas.

**Moderator:** [Name]

**Panelists:**

- [Name]
  - [Name]
  - [Name]
- 

**3:40 PM - 4:10 PM: Panel 7 – Texas Ports: Enhancing Trade and Global Competitiveness**

**Topics:** Expansion projects, logistics, and supply chain innovation.

**Details:** This session will highlight how Texas' ports are expanding to handle global trade demands and improve supply chain efficiency.

**Moderator:** [Name]

**Panelists:**

- [Name]
  - [Name]
  - [Name]
- 

**4:20 PM - 4:50 PM: Panel 8 – Workforce Development: Building Texas' Infrastructure Talent**

**Topics:** Workforce training, diversity, and labor shortage solutions.

**Details:** Infrastructure success depends on a skilled and diverse workforce. This panel will explore strategies to train the next generation of professionals and address the state's labor challenges.

**Moderator:** [Name]

**Panelists:**

- [Name]
  - [Name]
  - [Name]
- 

**5:00 PM - 5:30 PM: Closing Keynote Address**

**Title:** Shaping the Future of Texas Infrastructure: A Call to Action

**Speaker:** [Name, Title, Organization]

**Details:** Conclude the day with an inspiring keynote reflecting on the discussions and outlining next steps to achieve Texas' ambitious infrastructure goals.

---

**6:00 PM: Event Adjourns**
